

Night of Power

June 9th, 2018 at 7:00 p.m.

Most Muslims in Canada believe the Night of Power is the holiest night of the year—the night God may speak to them. And God often does.

But many Muslims here

- Don't really feel welcome
- Find life very difficult
- Struggle to raise their kids in a highly secular atmosphere

Some regret coming to Canada.

Will you pray with us for Vancouver's Muslims on this special night—that God will bless them, open their hearts to his truth and grant them the peace Christ came to bring?

Will you pray that Vancouver's Christians will open their hearts to their Muslim neighbors and love them in Christ's name?

Join us for Vancouver's Christian Night of Power prayer meeting.

Where:

Faith Fellowship Baptist Church
2551 East 49th Ave.
